Special Mail Stops for Patent Mail

For most correspondence (e.g., new patent applications) no mail stop is required because processing of the correspondence is routine.

If NO mail stop is included on the list below, NO mail stop is required for the correspondence.

See the listing under “See **Special Stops Applicable to Both Patent and Trademark Mail**” for additional mail stops for patent-related correspondence. Only the specified type of document should be placed in an envelope addressed to one of these special mail stops. If any documents other than the specified type identified for each special mail stop are addressed to that mail stop, they will be significantly delayed in reaching the appropriate area for which they are intended. The mail stop should generally appear as the first line in the address.

Some correspondence may be submitted electronically. See additional information at www.uspto.gov. See also www.uspto.gov/web/offices/com/sol/og/patboxs.htm.

Mail delivered by the **United States Postal Service (USPS)** should be addressed to:

Mail Stop _____
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

If no Mail Stop is indicated below, the line beginning Mail Stop should be omitted from the address.

Except for correspondence for **Maintenance Fee Payments, Deposit Account Replenishments** (see 1.25(c)(4)), and **Licensing and Review** (see 37 CFR 5.1(c) and 5.2(c)), correspondence delivered by **other delivery services** (Federal Express (Fed Ex), UPS, DHL, Laser, Action, Purolater, etc.) should be addressed to:
